RANDAL TYSON TRACK & FIELD CENTER

One of the best indoor facilities in the world, the Tyson Center has been the home of the NCAA Men's and Women's Indoor Track & Field Championships since its completion in the winter of 2000. The six-lane banked oval has been touted by insiders and the casual fan as perhaps the fastest indoor track in the world thanks to its steep curves and long straightaways and the numbers back it up as 11 of 20 NCAA Championship running records have been broken on its surface. records.

JOHN MCDONNELL FIELD

Home to the most successful program in NCAA history, John McDonnell Field has been transformed into one of the top outdoor track and field facilities in the nation. Named for legendary head coach John McDonnell, the winner of 42 NCAA national championships, the facility is one of only two IAAF Class 1 certified track and field complexes in the U.S. and the first such facility on a collegiate campus.

Participants are not contracting with the University of Arkansas or the State of Arkansas with regard to participating in this camp, and the University of Arkansas do not run or have any responsibility for the camp."
